

MSC IN CROATIA

GLOBAL SHIPPING, LOCAL EXPERTISE

WORLD LEADING SHIPPING AND LOGISTICS COMPANY

[msc.com](https://www.msc.com)

Welcome to MSC Croatia - your trusted logistics partner at one of the Adriatic's most important trade gateways. From the dynamic ports of Rijeka and Ploče, we connect your cargo to global markets through seamless sea, rail and road solutions. Whether you're importing, exporting or expanding into new regions, our integrated transport network ensures simple, efficient logistics tailored to your business needs.

OUR CROATIAN HERITAGE AND NETWORK

LOCAL PRESENCE

MSC has been present in Croatia for 19 years, supporting the development of the country's export and import industries and logistics sector. Thanks to its geography and strong inland connections, Croatia is a natural gateway for cargo flows, serving not only the domestic market but also transit corridors towards Serbia, Bosnia and Herzegovina, Hungary, Czechia, Slovakia and Austria.

DEDICATED LOCAL TEAM

Our team of 30+ highly skilled professionals provides comprehensive support for customer service and documentation, inland logistics and equipment planning, reefer and specialized cargo and operational coordination at ports and inland terminals. We ensure quick response times, proactive communication and solutions designed around the needs of your business.

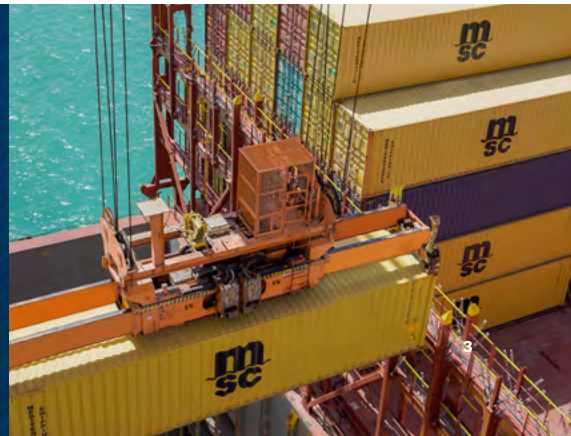

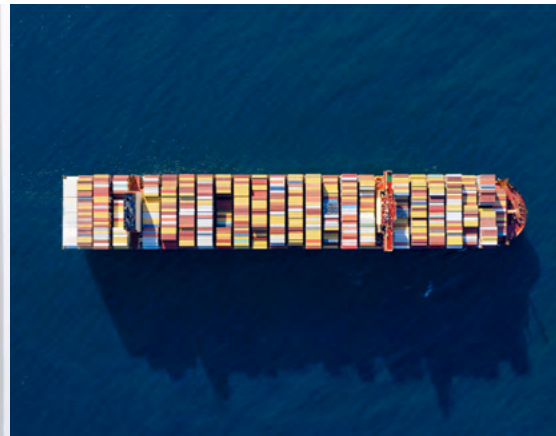

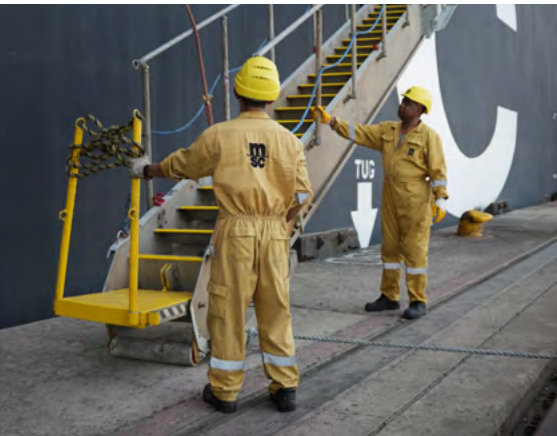

WHY MSC?

As the world's leading container shipping company, MSC connects over 500 ports across 150 countries, offering unmatched global reach and reliability. With a fleet of modern vessels and decades of experience, we provide weekly services to and from Rijeka and Ploče for major international trade lanes, ensuring competitive transit times and seamless connectivity.

SUSTAINABLE APPROACH

We continuously invest in more sustainable shipping and logistics practices, collaborating closely with partners and customers. MSC is committed to long-term decarbonization efforts, developing greener transport solutions, and reducing environmental impact through innovation and responsible operations.
