* Quoted times and dates (SAILING/ARRIVAL DATES, CUT OFF DATES AND TRANSIT TIMES) are always subject to space on board, possible ports congestions, adverse sea conditions, safety and operational consideration.

Advised transit times, sailing and arrival dates are thus estimated times only and schedules may be advanced, delayed or cancelled with the carrier having no liability for any direct, indirect or consequential damages or losses sustained as the result of such modification. It is the Merchant's responsibility to ensure that all deadlines as provided by the Agency will be respected. The carrier reserves the right to collect the extra charges in case Merchant's late, incomplete or erroneous filing. The Merchant is strictly liable to indemnify the Carrier for all costs, losses, damages and consequences whatsoever arising out of any failure by the Merchant to comply with the deadlines.

- To view pertinent details such as New Customs Release, Freight Release and Last Free Date, navigate to the 'Positions' section once retrieved.

Disclaimer: Please ensure that all information in this advisory is correct, i.e. Bill of Lading numbers, container numbers, transport mode, etc. MSC will not be responsible for any demurrage/storage charges if no attempts are made to contact the steamship line for corrections or if all requirements are not satisfied at least 24 hours prior to expiration of free time.

MSC expressly reserves its rights to invoice to the Merchant any Storage, Detention & Demurrage costs accrued over the applicable free time and resulting from the extraordinary disorders currently experienced at destination in the on-carriage of cargo to final place of delivery.

ETA is a subject to change, please trace container on rail website for correct arrival date once Rail Notice is received.
Last Free day is implemented by rail. Please make sure to always trace container on rail website for LFD information.

Equipment Detention: All containers remaining at the rail ramp beyond the close of business on the last free day will incur MSC Equipment Detention Charges, that will accrue in addition to the storage imposed by the rail operator.
