GLOBAL SHIPPING, LOCAL EXPERTISE

WORLD LEADING SHIPPING AND LOGISTICS COMPANY

[msc.com](https://www.msc.com)

Operating the largest global containerized cargo network, MSC connects your business with the world's leading independent container shipping line right from the heart of the Western Balkans. By tapping into our extensive international network, including tailored solutions in Serbia, North Macedonia, and Montenegro, your business gains access to unparalleled shipping routes and intermodal solutions. Far short sea shipping services, MSC offers efficient and cost-effective transportation solutions within regional and coastal areas. Supported by our team of local experts, you can count on increased flexibility and reliability in your supply chain, contributing to reduced carbon emissions. Irrespective of your business's size or sector, MSC serves as your trusted partner a family business with traditional values delivered in a modern way.

CONNECTING THE WESTERN BALKANS WITH THE WORLD

LOCAL PRESENCE

Established in 2005, MSC Belgrade and MSC Skopje proudly marked its inauguration as the pioneering agencies in the region, with MSC Montenegro swiftly joining the ranks in 2007. Today, all together the agencies count around 50 employees, overseeing nearly 60,000 TEUs and 15,000 intermodal moves yearly. MSC in the Western Balkans has grown to become the number one shipping company in the region.

DEDICATED LOCAL TEAM

Thanks to our skilled teams in intermodal transport, customer service, and documentation, MSC provides comprehensive support, ensuring seamless door-to-door solutions through all regional ports. Our operations are facilitated from our offices in Belgrade, Skopje, and Bar.

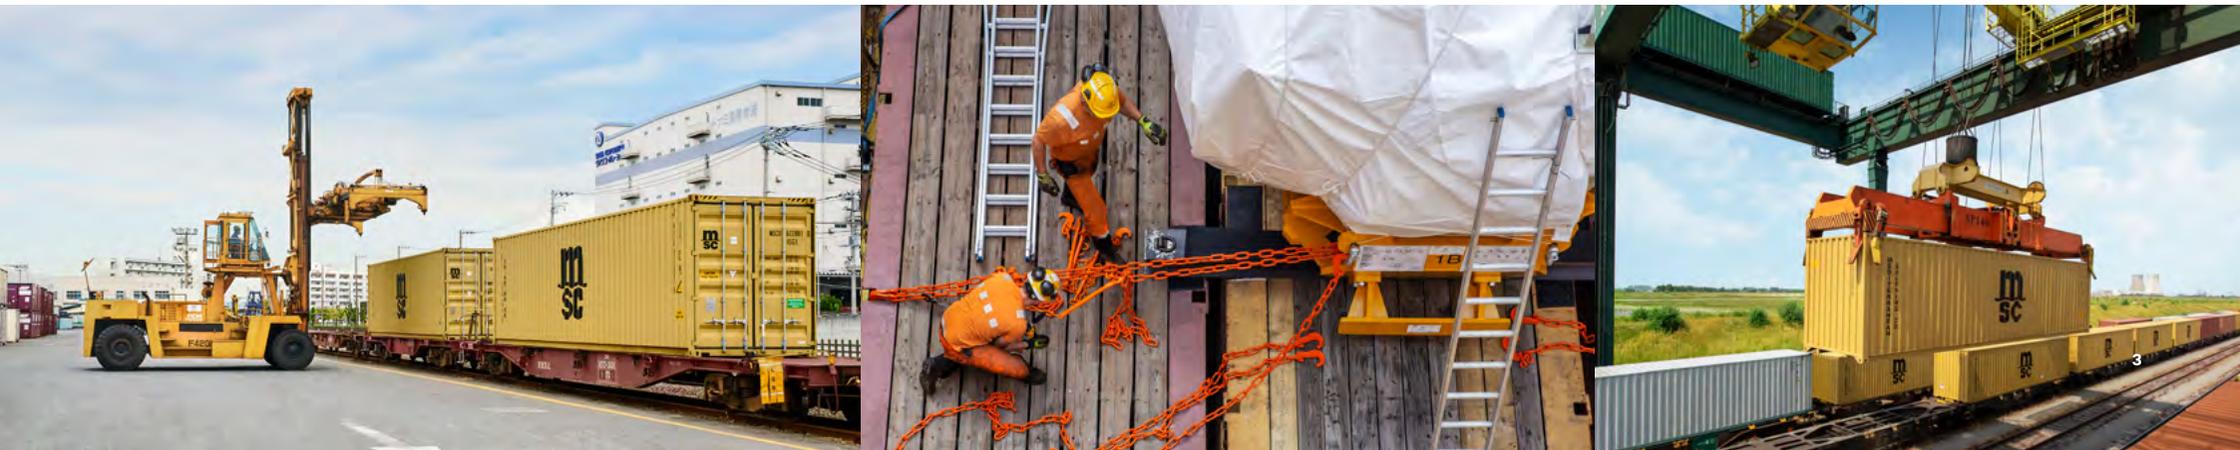

WHY MSC?

Selecting MSC in our region opens access to 8 ports served on a weekly basis by our direct and feeder services. This connectivity is facilitated through an intermodal network that interlinks 5 terminals across the region to these ports, utilizing trucking, rail, and strategically located depots. We are proud to organize regular reefer educational workshops for our customers.

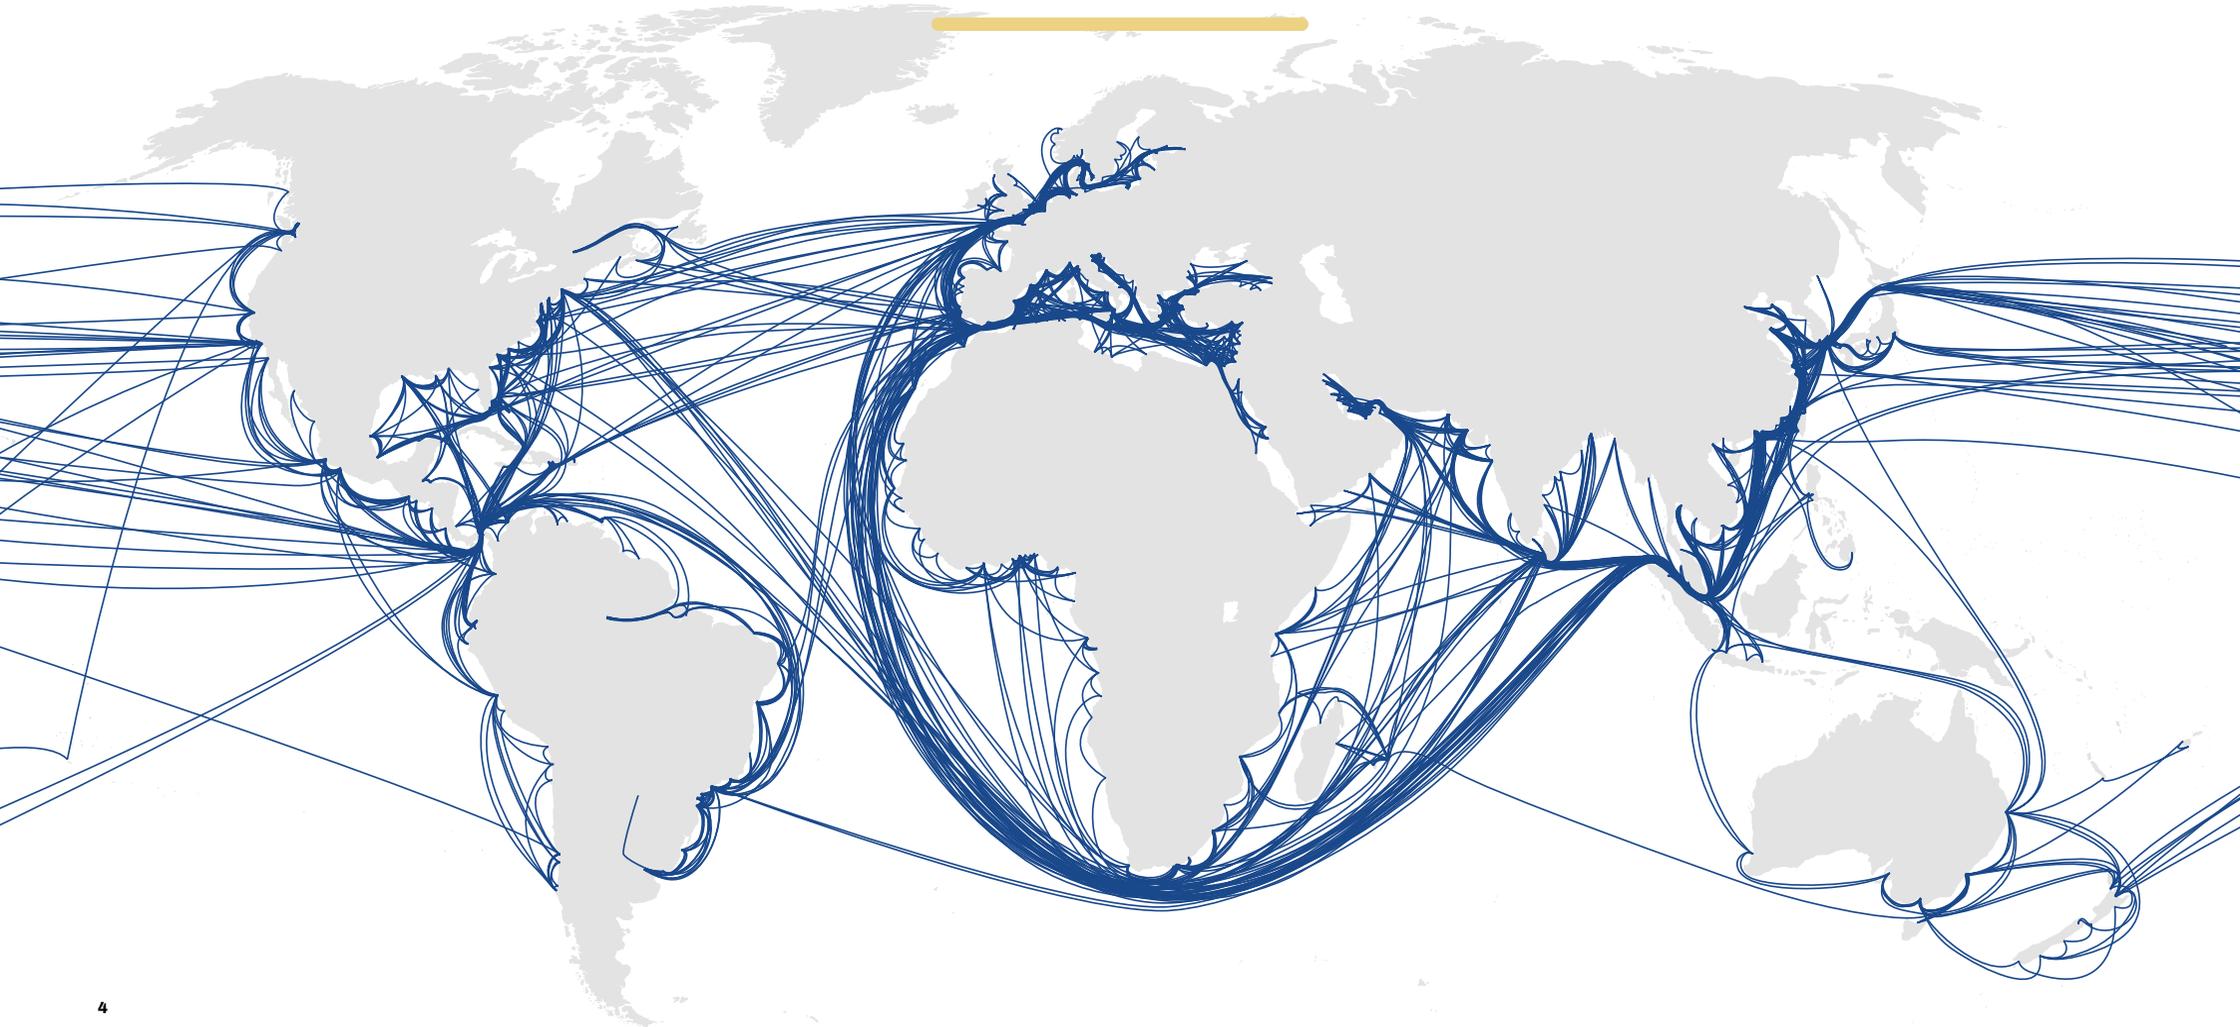

SUSTAINABLE APPROACH

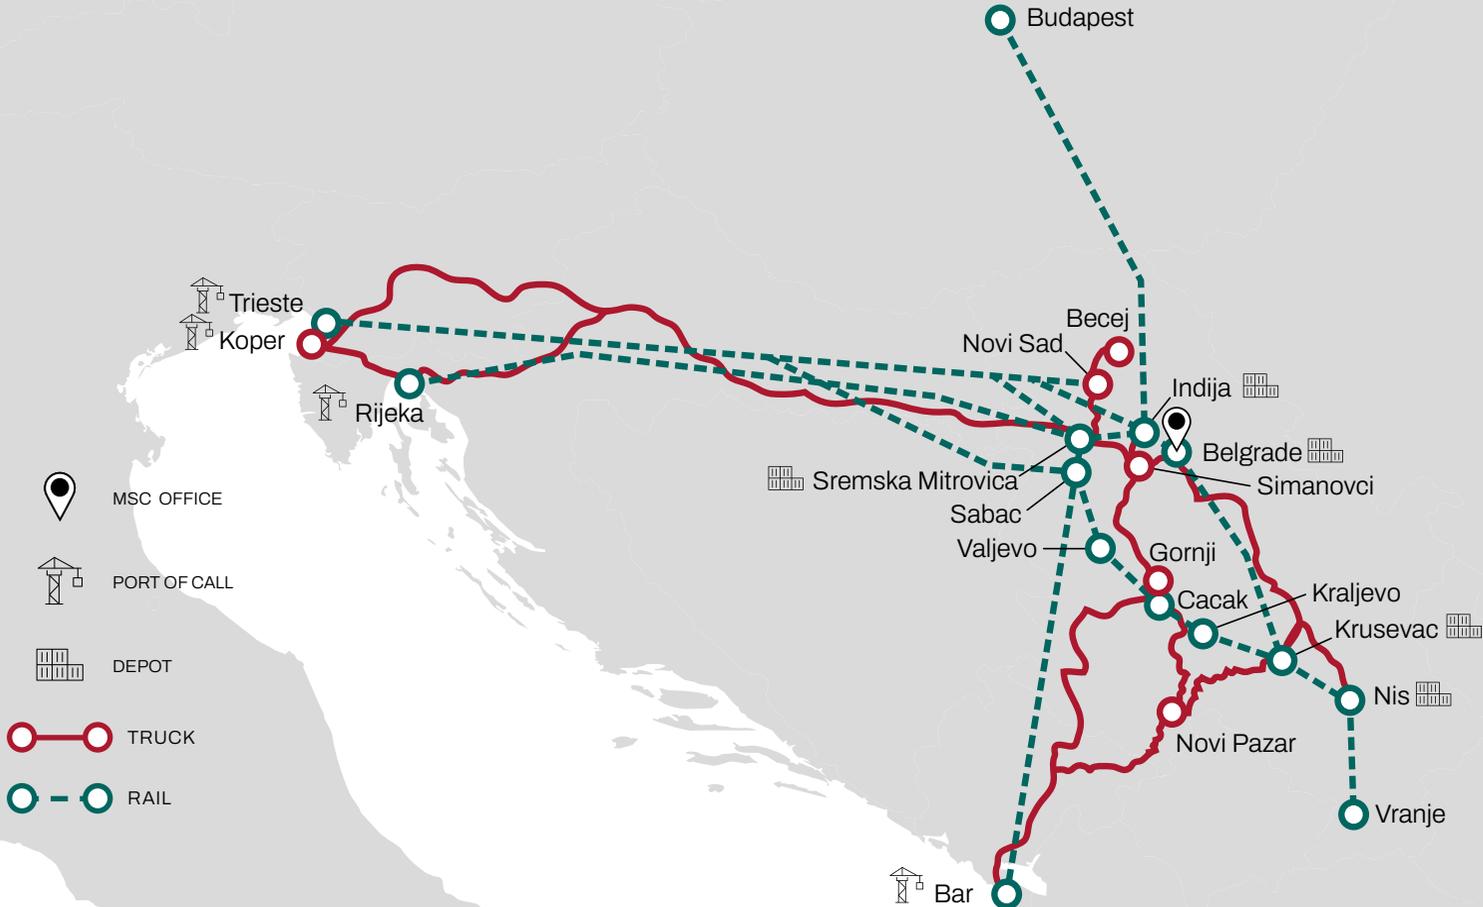

We are equally passionate about our heritage as we are about our future, which is why we promote a sustainable business model to ensure that we continue to deliver our market-leading services for our customers while protecting our planet, oceans, and future.
